

FILTER 230 V

Item number **GTIN**
 EP10426988 4015120426988

Product description

- Filter for suppression of inductive loads, such as relays, contactors, fluorescent lamps and transformers
- Compact design for flexible use

Technical data

GENERAL

| | |
|-----------------|------------------------|
| Device category | Electrical accessories |
| Conformity | CE, EAC, RoHS |

ATTACHMENT

| | |
|-----------------|--------|
| Length of cable | 0.04 m |
|-----------------|--------|

HOUSING

| | |
|------------|---|
| Dimensions | Length 62 mm x Width 26 mm x Height/Depth 10 mm |
|------------|---|

| | |
|---------------------------------|-------------------|
| Weight | 0.75 g |
| Material | Plastic (UL94V-0) |
| Protection type | IP20 |
| Permissible ambient temperature | -40 °C...+85 °C |
| Colour | grey |

ELECTRICAL VERSION

| | |
|------------------|---------|
| Protection class | II |
| Nominal voltage | 230 V ~ |
